

HKIHRM 2018 Benefits Survey

About HKIHRM Benefits Survey:

Conducted once every three years, the HKIHRM Benefits Survey gauges the provision of various types of benefits by employers to local employees working in Hong Kong. Overviews on the provision of benefits for local employees who travel frequently and those stationed in Mainland China are also covered.

The 2018 survey covers :

- 180+ organisations including local companies, multinationals and Chinese enterprises.
- 47 companies with employees stationed in Mainland China
- 24 business / industrial sectors
- 164,000+ full time, local employees
