## COURSE OUTLINE

- ✓ Featuring 13 short educational videos, each with a key learning assessment.
- ✓ Following 13<sup>th</sup> episode, learners take a final assessment.

### Episode 1. “Who, What, When, Where and Why”

Your introduction to MPF's history, its present and its future.

### Episode 2. “The Rookie”

A new employee has joined - what are my employer's MPF obligations?

### Episode 3. “Health Check”

Choosing the right MPF scheme, the consequences of not, and why annual MPF health checks are vital.

### Episode 4. “Squid Game”

MPF vs ORSO. Friendly face off or brothers in arms?

### Episode 5. “Do you see what I ‘C’”

MPF contributions and paperwork demystified.

### Episode 6. “MythBusters”

Are MPF fees really too high?

### Episode 7. “Don't forget the jam”

What is “DIS”?

### Episode 8. “Fooling around”

What is ECA and other ways employees can take control of their MPF?

### Episode 9. “Controversy”

What is “Offsetting”?

### Episode 10. “Trouble in the Suez”

Can my MPF ever be blocked?

### Episode 11. “Lap Sap”

I've just been told MPF is rubbish.....but it's not what you think. Learn why sustainable investing is MPF's new normal.

### Episode 12. “eMPF”

What is eMPF and how will it affect employers and HR's role in MPF.

### Episode 13. “The bonus episode”

Before I take the test, remind me how much I know about MPF again?
