Cantonese  
(with English materials)

This immersive session is designed for all professionals to directly experience and practice the core competencies of empathetic leadership in a safe, yet compelling virtual environment.

Using state-of-the-art, wireless VR technology, we don't just tell participants about empathetic leadership—we make them live it. Through a thrilling, narrative-driven mission, learners are emotionally and psychologically engaged, leading to unparalleled knowledge retention and behavioral change.

## Key Takeaways

- ▶ Understand the critical impact of empathy on team dynamics and performance
- ▶ Practice and demonstrate empathetic communication under pressure
- ▶ Break down functional silos by fostering cross-role collaboration
- ▶ Apply creative problem-solving techniques within a team-based, high-stakes scenario
- ▶ Connect leadership behaviors directly to measurable team outcomes
