This intensive workshop is for L&D professionals, trainers, and facilitators who want to leverage the power of VR Project Z within their own organizational training contexts.

Key Takeaways

- ▶ Confidently operate and troubleshoot the VR Project Z hardware and software
- ▶ Effectively facilitate the VR session, from brief to debrief, maximizing learning outcomes
- ▶ Adapt the core VR scenarios to reinforce specific training topics (e.g., communication, problem-solving, team-building)
- ▶ Design and lead powerful debriefing sessions that link the virtual experience to real-world application
- ▶ Understand the psychological principles behind VR learning to advocate for its use
